Trafficking in human beings has become a major problem in Europe. Each year, an increasing number of people, the majority of them women and children, fall victim to trafficking. An oversized, bold cutout book follows a day in the life of a little red plane, offering sturdy cardstock flaps, pull tabs, and other manipulative parts that invite young. If you're from the "I don't know zip about color - but I know what I like" school of color theory, this book's for you. You won't find color wheels or lectures on color harmony.
