BY THE GRACE OF JEHOVAH GOD SINCE THE DEATH OF HIS ONLY BEGOTTEN SON, Jesus Christ, every thousand years, a child is born to save humanity from hidden dangers of the evil one, as well as revealing God's nature of grace to humankind. So, providence befell on the Attah- Keshei`s family of Ada, in Ghana, when Kofi was born. He became an American citizen and then a unique and notorious member of the elite unit of the Security Network of the USA, simply known as the A10, which has a constant membership of just ten people with given powers equal and above that of even the president of the USA. Kofi , who was nicknamed 'The Black Shadow', was tasked to unravel criminal killings, assassinations of presidents, prominent leaders business, social, religious, and political across the globe, and, particularly, family members of the 'The Blackwell Empire' whose business empire controls most of the world socio-economic and political stage. This led to the shocking revelation of the true double identity of one man who cunningly managed his way through the rank and file of the American intelligence and political hierarchy to become the vice president of the United States of America, Nick Adams, known to the underworld as 'The Saint', whilst he sell death and anything to the highest bidder, until he find out that he was an illegitimate son of the founder of the Blackwell empire, and hell broke loose as he assassinated, every heir to the Blackwell throne, and intended to marry off his only son to Helena Blackwell, in order to control the empire, so any man who express interest in Helena Blackwell is killed, until Kofi , surfaced, not just a an antidote to the saint, but lover of Helena Blackwell.
